

This submission responds to letters from the Commission regarding the committee's 2006 Post-General and Year End reports:

Post-General Report

- 1) The \$531.84 expenditure for Jason Altmire was made subsequent to a 24 Hour filing earlier that day. Therefore, the committee believed that the expenditure was subject to a new \$1,000 reporting threshold, which the committee did not meet. The expenditure reported for Baron Hill was reported as being on behalf of Baron Hill in error and this expenditure was actually for Ken Lucas. The report has been amended to correct this error. Late reported expenditures for Larry Kissell were filed as soon as the committee noticed that it had inadvertently omitted those expenditures from an earlier filed 24 hour report.
- 2) Receipts from federal candidates disclosed on Line 15 reflect reimbursement for bank charges related to Internet fundraising on behalf of those candidates.
- 3) Line 21b has been amended to provide purposes for all disbursements
- 4) Expenditures for catering and hall rental were normal operating expenses and not on behalf of any federal candidate.
- 5) Expenditures for advertising, dvd's, list purchase, media consulting, polling, postage, printing and voter id calls were for the purpose of the sole benefit of the PAC or for generic communications. None of these expenditures were made on behalf of or allocable to any federal candidate.

Year-End Report

- 1) Expenditure descriptions have been corrected in an amendment
- 2) Addresses have been provided for all vendors.
- 3) All expenditures for reimbursement have memo schedules to the extent that the vendors paid had received in excess of \$200 in a calendar year. Expenditures for "rent" are a monthly per diem payment provided to all employees and are not tied to any particular transaction.
- 4) All travel reimbursements include memo schedules to the extent that the expenditures have vendors who have received in excess of \$200 in the calendar year.
- 5) Payments for catering are ordinary charges of the PAC and are not on behalf of any candidate.
- 6) Payments for graphic design, media consulting, list purchase, postage, printing and media production are ordinary PAC expenditures and are not on behalf of any federal candidate.
